

March 20, 2020

A MESSAGE FROM THE CHIEF

Dear Citizens:

Beginning Monday, March 23, 2020, the O'Fallon Fire Protection District's Administrative Offices will be reducing personal public contact by conducting business via phone and email communication. Our administrative team will continue to serve our residents and businesses as efficiently as possible.

OFFICE CONTACT INFORMATION:

- The main office phone line is **636-272-3493**; Fax: **636-272-7857**
- General Emails should be sent to: contactus@ofallonfire.org
- Building Permits or code-related information: mmorrison@ofallonfire.org
- For forms & general information, visit: www.ofallonfire.org

SUSPENDED: STATION VISITS/PUBLIC PROGRAMS & EVENTS:

At this time, we are prohibiting station visitors and suspending all non-essential programs and events. While this is not an easy change for our District, it is one we must implement as we put forth every effort to reduce potential exposure to our citizens and our first responders. This includes but is not limited to:

- Public CPR Classes
- Installation of Smoke Detectors
- Installation of Car Seats
- Annual Commercial Building Inspections
- Station Tours
- Outside Public Relations Events
- Fire Extinguisher Classes

We appreciate your kindness, but at this time we are **unable to accept any food**, either homemade or store-bought. Please do not stop by our Fire Stations to drop off such items. We are following the guidelines from the [St. Charles County Public Health](#) officials and want to limit contact and prevent the spread of COVID-19.

As always, in an emergency CONTACT 911.

Thank you, and stay safe:

A handwritten signature in blue ink, appearing to read "Thomas J. Vineyard", is written over a faint, larger version of the same signature.

Thomas J. Vineyard Chief
O'Fallon Fire Protection District
